

Application Form for Input Tax Apportionment

Please use this form to apply to use a special method of input tax apportionment according to Article 55 of the Cabinet Decision No. (52) of 2017 on the Executive Regulations of the Federal Decree-Law No (8) of 2017 on Value Added Tax, if the standard method does not give rise to a fair and reasonable result. Input tax that is used in the making of exempt supplies and/or in non-business activities cannot be recovered. An apportionment of input tax is required where the VAT involved is used to make both taxable and exempt supplies (e.g. overheads).
